

In May 2010 the **Shuswap Lake General Hospital** expansion officially opened.

The \$ 23.5 million dollar expansion included:

- The Emergency department
- Diagnostic Imaging department including the installation of a 64 slice CT scanner made possible by a community fundraising effort of \$ 1.5 million dollars.
- A modernized Pharmacy, Laboratory, ambulatory care service including upgrades to the Physiotherapy facilities.
- Geothermal service was installed for managing the hospitals climate control needs.

The *Shuswap Hospital Foundation* established a unique recognition program and wall to show permanent appreciation for the generosity of those who have been so supportive of the priority equipment needs of the hospital.

"Experience the satisfaction and pleasure of planned giving"

- ✓ A beneficial way to maximize your philanthropic & financial goals.
- ✓ Your gift will have a positive impact on the needs for priority equipment.
- ✓ Feel secure in the knowledge your generosity is helping those in need today.
- ✓ The foundation has been established 25 years as a charity for health care.
- ✓ Gifts to the foundation will be eligible for an official tax receipt.
- ✓ Appropriate recognition is displayed at the hospital including Honourees.

Visit the foundation at www.shuswaphospitalfoundation.org . It is possible to donate on line by this secure site or contact the office:
