FOR IMMEDIATE RELEASE

Enhancing Seniors' Quality Of Life

CARP is bringing a new vision of aging to South Okanagan Similkameen at the 19th annual Seniors Symposium on October 20. CARP is a national, non-partisan, non-profit organization committed to promote and protect the interests, rights and quality of life for Canadians as they age.

Seniors' advocacy experts from CARP will provide valuable advice for seniors at a free workshop being held in conjunction with the Seniors Symposium.

The Seniors Symposium is the largest seniors' event of its kind and is set to return to the Penticton Trade & Convention on October 20 for the 19th year. Booth space is still available with earlybird pricing available until June 12.

The Symposium historically attracts 5,000 seniors and caregivers. There are 100 displays of products and services for older adults and local entertainment throughout the day.
