On behalf of Surrey City Council, I would like to thank Experience Magazine for releasing their second South Surrey/White Rock Edition! I am proud to have a publication like Experience Magazine providing important information to our valued residents.

The City of Surrey is home to many diverse customs and traditions and a widespread of age groups. We have established a harmonious and connected city that honours differences and celebrates uniqueness. It is encouraging to see a publication that meets the needs of a key demographic in our city.

The City of Surrey recognizes the vital role that those 50+ play in our community. It is my hope that this magazine will help connect residents with the vast amount of helpful resources available in our City. I appreciated Experience Magazine's contribution to our City's diverse social fabric.

Sincerely,

A handwritten signature in black ink, appearing to read "Dianne L. Watts". The signature is fluid and cursive, with a large initial "D" and "W".
