

# CITY OF WHITE ROCK

November 2010

I am pleased to welcome you on behalf of White Rock City Council to the 2011 edition of *Experience* covering South Surrey, White Rock, and Cloverdale.

I believe the information in this publication is useful to anyone seeking services or resources for senior members in our community. These services and resources are many and varied, as you will see, and touch on every part of life.

As a Council, we applaud the efforts of the publishers to compile and share this reference as widely as possible. We want the services accessed by those eligible in the community to receive them, and it is through publications such as this that citizens become knowledgeable about what is available to them.

So we thank you, *Experience*, and welcome you to White Rock!

Sincerely,

*Catherine V. Ferguson*
