

Give Hope Today

The Salvation Army continues to serve Penticton and area joyfully. We are seeing more and more people coming to our Food Bank and Thrift stores than ever before. We are giving out more than 50 thousand pounds of food a month which includes between 100 to 200 "grab and go bags" as well as 15 to 20 hampers a day. These numbers include an alarming number of seniors who come for help. We are also helping and assisting 12 other agencies here in Penticton.

With this increase, The Salvation Army is always looking for help and helpers to reach out to the community in a variety of ways. Over 100 plus years in the community, The Salvation Army has relied on our community to partner with and bring hope to those who need it most. We sincerely thank all who have made our ministry possible.

We continue to also run our Community Care Ministry teams which go out and bring joy and hope to so many throughout Penticton and the South Okanagan. These teams are going to various seniors' homes bringing joy through

music, worship and just simply visiting with the residents. The Salvation Army continues to be blessed by the leadership team in this ministry by Barb and John Pettifer who faithfully lead in this outreach.

There is and will be great anticipation to get back to fellowshipping once again, visiting and genuinely caring again for our 55+ group. The Salvation Army is committed to continuing to serve and provide for all aspects of society and are and will continue to adapt to our changing needs.

We are always looking for people to partner with us here at The Salvation Army and look forward to hearing from anyone interested in joining our team! Whether for worship or to volunteer.

Together we truly can and will
"GIVE HOPE TODAY"!
